PUBLISHERD NOTICE.

This interesting blography, which quite equals all the imaginary takes ever written, many people may not suppose to be true. We are able to state that Captain Canot is an actual personage, and that the hair breadth escapes, and remarkable incidents related in the book, are truths in the life of a real personage. In order, however, that the public may feel assured that the adventures which are told in such beautiful language by Prantz Mayer, are to be depended upon, we append the testimonials of editors of leading journals, who are cognisant of the facts, and aware that such a person as Captain Canot exists.

This wor

not's. It is a most curious autobiography, taken from the life of a remarkable adventurer, now resident in Baltimore.

From the New York Tribune.

This work could not have been better done if the principal actor had combined the descriptive talent of Defoe with "the astuteness of Fouchs and the dexterity of Gil Blus," which traits are ascribed to the worthy whose acquaintance we shall soon make.

From the Evening Transcript.

The al etches in this volume extend over a period of twenty years, and show up everything connected with the slave trade among foreigners and negroes. In one place an account is given of a journey to Timbo, through the Mandingo country to that of the Fullahs. There are many graphic lettches of West India plantation life, and the meds of operating with the Spanish Caban government; the life of factors on the African coast; pirate life; Spits and races with craisers; adventures in the Mensmbique Channel.

Canot was formerly an apprentice to the well known William Gray, the eminent shipowner of Boston, and was brought up in his service. He is an Italian by birth, a Frinchm-n by descent, a opaniard by semi-naturalization and trace, an African by habits, and a bit of an anterican by early association and apprenticeship. His true rame is Conneau, and he is brother of the Dr Craneau who has se long been the attendant and friend, and Is now the medicin en chef, of the Emperor of France.
